Request for Extension on Assignment Submission
Dear Professor,
I hope you are doing well. I am writing this letter to you with a great deal of respect and seeking
your permission for a brief extension of the deadline for the submission of my assignment. I have been facing some unforeseen circumstances for the past few days, and this has not allowed me to deliver my best for the assignment
I have a great regard for this particular course and the efforts you put into teaching us. I want to
dolivor my best for this assignment, but not something mediocre. I have been actively involved
in doing my assignment, and I have made a great deal of progress. I would greatly appreciate a
brief extension for the completion of my assignment
I would like to apologize for any inconvenience this might cause you. I want you to be assured
that I am committed to doing my best for this particular course. I would greatly appreciate a brief
extension.
Thank you very much for your understanding.
Yours sincerely,
Anuj Joshi,
